PROFILE

Motivated and versatile tech enthusiast with a strong foundation in web development, app prototyping, game design, and graphic design. Passionate about innovation, problem-solving, and transforming ideas into engaging digital experiences. Proficient in Adobe Creative Suite and Microsoft Office. Eager to contribute to collaborative, purpose-driven IT projects while continuously learning and growing.

WORK EXPERIENCE

Desert Gate Tourism

Marketing Specialist/Graphic Designer (July 2025 - Present)
Executed marketing campaigns for luxury hotels across the UAE, Oman, Qatar, Maldives, Mauritius, and Sri Lanka, designing digital and print materials including brochures, banners, email assets, newsletters, and social media content. Managed multi-brand communications while maintaining consistent brand identity, and supported corporate marketing and branding initiatives.

Websters

UI/UX Designer & Web Developer Intern (January 2025 - July 2025)
Designed user-friendly layouts using Figma and developed responsive front-end code using HTML, CSS, and JavaScript for client websites. Updated and validated website content and visuals for existing clients. Created event poster templates using Photoshop and Canva and assisted in generating content ideas for future client projects.
